RAILROAD COMMISSION OF TEXAS

Oil & Gas Division | Technical Permitting
Authorized Pit Registration/Change Form

Form EP - 1

(Rev. 04/29/25)

INSTRUCTIONS

Organization Information

Organization Name – Enter the name of the organization as it appears on the Form P-5 Organization Report.

P-5 Number – Enter the P-5 number assigned to the Organization.

Purpose for Filing

Select the reason for submitting the authorized pit registration and select the effective date that the pit went into service, or the effective date of the service change, or the effective date that the service is terminated.

Pit Type

NOTE: Operators are required to complete one form for each pit specified on their permit. Each pit registration must be submitted as a separate PDF. Do not combine multiple registration forms into a single PDF.

Check the appropriate box.

For Schedule A – Select the appropriate pit by checking the box.

For Schedule B – Produced Water Recycling pits, **Form EP-2 must be completed and accompany Form EP-1, Authorized Pit Registration/Change Form.**

Schedule B Produced Water Recycling pits require financial security to be submitted in addition to the registration form and worksheet.

Pit Information

Pit Name or ID used by Operator – Enter the pit identifier used by the operator.

Pit Capacity – Enter the total volume in barrels (bbls) for the pit.

Pit Dimensions – Enter the measurements for the length, width, and average depth of the pit in feet.

Expected depth to Groundwater from the Bottom of the pit – use the measurement from the bottom of the pit to the groundwater and enter the measurement in feet.

Location – Enter the latitude and longitude of the pit in NAD 83, decimal degrees, rounding to the 6th decimal place holder.

Pit Location

District – Enter the name of the district the actual pit is located.

County – Enter the name of the County the pit is located in.

Authorized Pit Registration/Change Form

Form EP - 1

(Rev. 04/29/25)

Associated RRC Facility No

Enter any identifying RRC-assigned number on the facility associated with the pit that is being registered. Preferably, the API Number. If there are no RRC Identifiers, select the check box for No RRC Identifier.

Certification – Read the certification statement and print the full name, including the title of the person signing the certification. Print the name, indicate the date signing, and provide the email and phone number for the person signing.
