Tip: Enter data into a single field, e.g., Abstract Number, or try additional searches with other fields or combinations. Useful search fields include Lease Name, Section, Survey Name, Lease Number, API Number etc.

Note: Entering more search criteria into multiple search fields will return fewer results for location/area of interest and conversely entering less search criteria will return more search results for the location/area of interest.

# Example Using Abstract Number 2210 (A-2210) of Andrews County
