- RRC LoneSTAR Overview
- LoneSTAR - Release 1
- P-5 Filings in LoneSTAR
- Financial Assurance Information
- Forms W-3C and W-3X in LoneSTAR
- Additional functionality in LoneSTAR

- Multi-biennium mainframe transformation project
- Project is slated to consist of 4 releases
- Release 1 will contain P-5 renewal and Inactive well filing functionality – Coming early 2022!

- Online filing of P-5, W-3X and W-3X Forms
- Transparency regarding the tracking of your SWR15 inactive well compliance
- Access to P-5 renewal and SWR15 compliance filings (that have been filed within Lonestar) in one place
- Siloed processing of forms

- Industry will be able to electronically file their P-5, P-5O, P-5A forms through the LoneSTAR system
- Functionality will include the ability to pay P-5 filing fees through the LoneSTAR system
- There will be a direct link to the Texas Secretary of State that will pre-populate the name-styling and officer listing for your convenience.

- You will have the ability to see a history of your P-5 filings within the new system
- The system will contain business rules that conduct validations as you update information.
- Expedited processing and approval times when you utilize the online filing system.

- Financial assurance documents must still be submitted in hard-copy with original signatures
- Financial assurance documents will be scanned and available for viewing within your LoneSTAR account

Forms W-3C in LoneSTAR

- Ability to file forms W-3C electronically
- Auto-approvals for certain filings
- Option to file for multiple wells at once easily through the LoneSTAR system

- Ability to file forms W-3X electronically
- Functionality built in to view your 10% plugging/restoring progress
- Auto-approvals for certain filings
- Abeyance of plugging report letters will be viewable and expiration dates automatically calculated

New System Terminology

- Due to data limitations in our legacy system, the RRC has introduced the “Long Name” and “Short Name” data field within the LoneSTAR system.
- If your entity name is longer than 32 characters, you will be assigned a “Short Name” that can be migrated back into our legacy system.

Important Changes

- Filing rights will have to be designated through the new single sign-on system (RAMP)

RAMP

RRC Access Management Process

Manage accounts and access to new RRC applications

[More information on RAMP](#)

- Only people who have been designated with filing rights through RAMP will be able to file documents on the company's behalf in LoneSTAR.
