To Whom it May Concern,

I have reviewed the proposed rule changes in both its original draft form and the formal draft. Additionally, I have participated in several review sessions as a member of the Texas Alliance of Energy Producers, which has submitted comments on behalf of its members. Please refer to the Alliance's comments for any specific recommendations to the rule change. Our company supports the recommendations made by the Alliance and urge their inclusion in the final form.

Sincerely,

Jason Herrick

President

Pantera Energy Company
